

26th National Rebuilding Day – April 25, 2015
Sponsorship Levels and Benefits

ONE DAY, ONE TEAM

Make a visible impact in your community

Sponsor a rehabilitation project with Rebuilding Together Peninsula and offer your group a rewarding teambuilding and leadership experience through volunteerism

THE OPPORTUNITY & THE COMMITMENT

The Opportunity

Each year on the last Saturday in April, National Rebuilding Day unites the largest nationwide group of volunteers from all walks of life to rehabilitate homes and community facilities and revitalize Peninsula communities.

Every project that we undertake is unique. Each work site comes with a different history, unique needs, its own scope of work, and a dedicated volunteer team. Once deployed, we do everything from yard cleanup and painting to skilled plumbing, windows, electrical systems, and flooring repairs. We have even repaired or replaced roofs on homes and community facilities.

As we work to revitalize Peninsula communities, we also work hard to provide a positive volunteer experience for our sponsors, volunteers, and community partners. The result of year-long planning, evaluating, training, and organizing is a lasting impression and life-changing experience for our volunteers and the families and individuals that we help.

The Commitment

Sponsors provide financial support along with a volunteer team that includes a team leader called a Volunteer Captain. They also provide a morning snack, water, and lunch for their team. Sponsors have the option of providing their own Construction Captain should they have an interested skilled volunteer. Rebuilding Together Peninsula is committed to providing a meaningful, well-organized experience and will identify your project and train and support your volunteers throughout the entire process. At the end of the day, Rebuilding Together Peninsula provides a picnic celebration for all volunteers. Sponsorship levels are designed to meet the needs of every sponsor. **While it is common for sponsors to provide project volunteers it is not mandatory.**

KUDOS TO OUR PAST PROJECT SPONSORS
