As we continue to assess the developments regarding COVID-19, we at Rebuilding Together Peninsula want to express our deep concern for the community and our sincere hope that you and your families are healthy and safe.

Because the situation is constantly evolving we will continue to provide timely updates about our plans and all changes to our programs.

Currently the recommendations among all six counties in the Bay Area are to shelter in place. We will follow these guidelines. As of March 16th our staff will be working remotely with limited presence in the office and warehouse. All staff will be available by phone or email.

National Rebuilding Day (NRD):

After much thought and consideration we've decided to postpone the NRD scheduled for April 25th with a new date yet to be determined. We will be notifying sponsors and volunteers of the new date by the end of the week. Our utmost concern is for everyone's safety and health, and given the current situation we feel this is the best course of action.

If you have any questions at all, please do not hesitate to reach out to any of our staff.

Thank you for your continued support, your patience, and your dedication to Rebuilding Together Peninsula.
