Since 1989, Rebuilding Together Peninsula has served over 2,500 homes and 400 community facilities serving neighbors in need on the Peninsula. With the help of nearly 2,000 volunteers each year, RTP implements our mission to *repair homes, revitalize communities, and rebuild lives.*

Rebuilding Together Peninsula's services...

Promote community engagement

In 2018, RTP engaged **43 local sponsors** and **1,806 volunteers** who donated **16,632 volunteer hours** to transform local homes and community facilities.

RTP scaled this **impact** with over **\$329,000** of in-kind labor and materials from local businesses.

RTP **revitalized** local schools, service programs for the homeless, childcare centers, and programs for people with disabilities.

In 2018, RTP repaired facilities for **12 community organizations** serving **1,300** low income residents.

Secure health and safety at home

With its **home safety** assessment tools, RTP ensures the critical health and safety needs of each household are addressed. As a result, clients report improved living conditions and a greater sense of **well-being at home**.

"I will never forget RTP's kindness, RTP really represents the best of what people are capable of."
