

Rebuilding Together Peninsula Golf Tournament

Monday, October 3, 2022 • Sharon Heights Golf and Country Club

We invite you to join us for an afternoon at the beautiful **Sharon Heights Golf and Country Club**. Rebuilding Together Peninsula is hosting our second annual Golf Tournament, offering local businesses like yours the chance to give back to the community, while enjoying an afternoon of play, networking, and team building with co-workers.

The tournament will be held on **Monday, October 3rd, 2022** and will include complimentary lunch, adult beverages, prizes, and an amazing round of golf with other Silicon Valley area businesses. Even if you don't golf, you can still participate. Join us for the 19th-hole reception and awards event afterward in the main dining room.

Our hope is that participants leave the course feeling like a star, having played an exhilarating round of golf. Your participation will support critical safety and health-related repairs, from installing grab bars and smoke detectors to fixing broken furnaces and leaky roofs for our most vulnerable neighbors--right here on the peninsula. COVID-19 has highlighted the disparities in our community; the funds we raise will provide not just repairs, but dignity and hope, as well.

There are many ways to get involved. Some sponsorships are limited, so check out our sponsorship opportunities here and let us know how you'd like to support! Join us and make a meaningful difference, while having a fabulous afternoon on the green.

Sincerely,

Melissa Lukin
